

## FREE BOOKS for Year 7 Students

**Booked Up** is a national programme encouraging Year 7 students to read for pleasure by providing every child with a free book from a specially selected list.

Booked Up, now in its fifth year, is run by the national literature charity Booktrust, with the aim of encouraging reading for pleasure and independent reading choice.

Booked Up allows each Year 7 pupil to make their own choice of book from a selection of titles that include fiction, non fiction and poetry.

The books are picked specifically for Year 7 students and over the years have proved very popular. This leaflet contains details of books from previous years. All the books are available for loan from Denefield School Library.
