September 2011

Dear Parent/Carer

The Music Department is pleased to offer peripatetic music tuition in a wide range of instruments. As you are no doubt aware, such extra-curricular activities not only enhance your child's quality of life (after all, what would life be if it weren't for music?) but also open up numerous options for participating in bands, groups, orchestras and all manner of live performance opportunities.

Every year the choice increases; from September 2011 we hope to offer the following:

- Clarinet
- Drums
- Keyboard
- Piano
- Trumpet/trombone/cornet
- Violin
- Flute

We would welcome any interest in instruments not on this list and will do our utmost to make the suitable arrangements.

The cost will vary according to the length of the lesson (half hour or full hour) and the prices are lower if your child is taught as part of a group (usually 3-5 per group). A typical price range is £7.00 - £8.60 per half hour lesson. This is usually paid for on a termly basis, but in some cases this can be arranged to suit individual needs with the music tutor.

The lessons will take place on the premises and, in most cases, during the school day. If your child is interested, please ask them to see Miss Ellis, Mr Upton or me for further details; alternatively you may contact us directly via email (kes@denefield.org.uk, upt@denefield.org.uk or shw@denefield.org.uk).

I hope this letter answers any queries you may have and I look forward to seeing your child enjoy learning their instrument of choice.

Yours sincerely
