3 November 2011

Dear Parents/Carers

## **Year 11 Study Skills/Post-16 Preparation Day - Thursday 24 November 2011**

As you will be aware, Thursday 24 November is Student Academic Review Day. However, as they have only recently had a Parents' Consultation Evening, Year 11 students will, instead, be taking part in a study skills/post-16 preparation day. This will run from 8.55am to 12.30pm. It will be held in school with sessions being run by Year 11 tutors and a number of external speakers. Students are expected to attend as a normal school day, wearing full correct uniform.

The morning will be divided into three sessions. The first two sessions are aimed at preparing your son/daughter for their forthcoming mock examinations (Monday 28 November to Tuesday 6 December). The third session is aimed at guiding your son/daughter's decisions regarding their future, post Year 11. It will consist of a variety of workshops designed to inform your son/daughter of the options available to them, ranging from university to employability, so that they can make well informed career plans and choices.

In the afternoon, Year 11 tutors will be meeting with a small number of students, who are currently underperforming, and their parents to discuss strategies for improvement. The remaining students will be expected to spend the rest of the day at home, preparing and revising for their mock examinations.

As published previously, Friday 25 November is a staff training day and the school will be closed to all students.

Yours sincerely

**Mrs L Holley**
