SUCCESS FOR LIFE

Denefield  
[www.denefield.org.uk](http://www.denefield.org.uk)

Welcome to the new term of Kids College. Once again, we are pleased to invite children in Year 6 to choose from our range of courses in science, technology and the arts. If you're coming up to Denefield next September, why not come and make some new friends before you start?

This five-week course is free; the only commitment is to look through the prospectus, make your choice, agree to attend every session and complete and submit [the application form](#) by **Monday 1 November**. Places are limited on each course to a maximum of 16 students and will be allocated **by ballot after the reply deadline**. Successful applicants will be notified during the week commencing Monday 1 November.

Details on the courses and our Terms and Conditions follow, but should you require further information please contact me at the school. We look forward to meeting you.

### Student Sessions - Autumn Term 2021

Wednesday 10 November

Wednesday 17 November

Wednesday 24 November

Wednesday 1 December

Wednesday 8 December (final session plus Achievement Celebration)

## African Clay Masks

Do you enjoy art and like to experiment with different materials? Are you creative and don't mind getting a little messy? If your answer is yes, this course is for you...

During the five weeks we will look into African art and then design and create our wonderful clay mask. You will learn basic skills of how to work with clay and how to combine your own ideas with some traditional art.

## Secrets of Science

Are you interested in science? Do you want to learn more and try out some fantastic experiments in biology, chemistry and physics? Come and join us as we investigate the 'why' and 'how' of the world around us, explore some fun ideas and complete lots of amazing activities.

Topics will include...

*Fizzy, fizzy, bang, bang!*: acids, indicators, bunsen burners and explosions

*Senses burst*: which of our senses do we rely on the most?

*Oops there goes my egg!*: the physics of motion and collisions with a great egg race challenge.

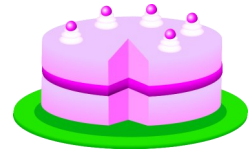

... and much, much, more!

## Denefield Bake Off x2

Calling all Jamie Olivers or Delia Smiths... if you enjoy eating and working with food, come and join the 'Denefield Bake Off' course.

There will be two Denefield Bake Off courses running at the same time. Over the five weeks you will learn a variety of kitchen skills and nutritional information to help you prepare your own delicious teatime treats.

You will learn to use basic equipment that you have at home in your kitchen, taste a variety of ingredients that go into the recipes each week and develop your food preparation skills.

**Each week you will need to bring a storage container with a lid to carry your treats home in.**

### Apply now..

All children currently in Year 6 are invited to apply for a place at Kids College.

Please complete and submit [the application form](#) by **Monday 1 November**.
