## Behaviour and Discipline Policy

### Status

Statutory

### Aim

At Denefield School we are committed to providing a safe environment free from disruption where students are ready to learn and enabled to achieve their potential. We set high standards and actively promote good behaviour and behaviour and discipline. We value all of our school community and aim to promote and develop the school's CHARACTER values. We expect all of our students to demonstrate self-discipline, self-regulation, respect and pride in their school. We aim to apply rewards and sanctions fairly and consistently.

### Scope

If incidents happen off the school site, or out-of-hours, or when the student is not in school uniform, or on social media, the school reserves the right to act, where the incident concerns members of the school community, or where the school's good name is being brought into disrepute.

### Legislation and Statutory Requirements

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour and discipline in schools](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010](#)
- [Use of reasonable force in schools](#)
- [Supporting pupils with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice \(January 2015\)](#).

In addition, this policy is based on:

- Schedule 1 of the [Education \(Independent School Standards\) Regulations 2014](#): paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy
- [DfE guidance](#) explaining that academies should publish their behaviour policy and anti-bullying strategy online

This policy complies with our funding agreement with the Department for Education and articles of association.

Behaviour in lessons

Stage 1 – Verbal Reminder;

Stage 2\* – Final Reminder;

Stage 3 – Removal from lesson to work in isolation in the school's inclusion room for the lesson, accompanied by after school detention.

\* The school is trialling the removal of the stage 2 final reminder, to see whether student behaviour improves if there is simply a verbal reminder followed by removal from the lesson.

Serious breaches of the Behaviour and Discipline Policy can also result in:

Stage 4 – Internal exclusion: removal from lessons for an extended period of time to work in isolation in the school's Inclusion Room;

Stage 5 – Fixed term external exclusion;

Stage 6 – Permanent exclusion.

Other responses to poor behaviour are used, as appropriate, including before or after school detentions, break or lunch time detentions, or restorative actions including compulsory community service.

Mobile phones and other digital devices will be confiscated if seen or heard, and will be returned to a parent or carer at the end of the day.

The school takes a therapeutic approach to supporting students' behaviour, and students are encouraged to reflect upon, and make amends for, mistakes they have made. In addition, the following methods are also used to support students:

- Report, and praise reports, to tutor, head of house, or senior member of staff;
- Behaviour contracts or behaviour support plans;

- Mentoring, coaching or counselling with a member of school staff or external agencies such as the Youth Service.

## **Disability and Equality**

Where the misbehaviour of students is related to special educational needs and disability (SEND), the Headteacher will make reasonable adjustments to enable those students to be included within the school community.

Reports are provided to the Standards committee three times a year to enable the Trust Board to monitor data on exclusions by protected characteristics.

The Headteacher reports termly to the Trust Board to enable them to monitor and evaluate the impact of the school's policies, practices and procedures.
