## Work for absent students Year 11 Science

## You will need:

1. A blue or black pen
2. A pencil
3. A ruler
4. A calculator

For each topic, you will find links to either an Oak Academy or BBC Bitesize resource. Instructions on how to use each resource are below.

## Oak Academy

1. Click the link associated with the topic you are studying.
2. Select the first lesson. It is useful to look at previously covered material - to build a solid foundation and then move on to new stuff when you are secure.
3. Play the lesson video - pausing it where required and completing the activities as directed.

## Bitesize resource

1. Click the link associated with the topic you are studying. Try to pick a lesson you have just done to recap material and then try the next lesson to cover new stuff.
2. Select the first topic from this section. It is useful to look at previously covered material - to build a solid foundation - and then move on to new stuff when you are secure.
3. You will be asked to read information or watch videos and you must take notes using the Cornell method of note taking. For information on how to do this, click here.
4. Complete the multiple-choice quizzes (and for Year 9 upwards and sample exam questions).
