

ClassCharts101

- Homework - This section tells you when the due date is, the information and links regarding the task set so you can help.
- Intervention (Faculty clinics) - Faculty clinics are held at break time, lunch time and afterschool for the subject teachers to support your child if they need additional help to complete their homework correctly.
- Intervention (Detentions) - They are set for breaches of the school behaviour expectations and can be set for break time, lunch time or after school.
- Behaviour - Information regarding any concerns the school has about your child's behaviour can be found in the 'behaviour section'. This information can be used to facilitate discussions at home, to support your child to improve.
- House points - to celebrate your child's success and what they are doing well each day.
- Announcements - We are increasingly using announcements to communicate with you. Look here for the school bulletin, information about fixtures and extra-curricular.

HOMEWORK PLATFORMS

These are beneficial for both students and teachers. Students get instant feedback and personalised questions dependent on their progress. Teachers can focus on identifying areas of weakness to re-teach, maximising impact in the classroom.
