Background

The 16-19 Bursary Fund provides financial support to help students overcome specific barriers to participation so they can remain in post-16 education. The Education and Skills Funding Agency (ESFA) allocates funding to schools for this purpose. Typically, bursaries are used to help with costs of travel, to buy essential books, clothing and equipment, and for course-related field trips. Bursaries are not intended to support non-education related costs, general household incomes, extra-curricular activities where these are not related to the students' study programme, or provide learning support such as counselling, mentoring or extra tutoring. No student can be automatically awarded a bursary without an individual assessment of the level of need they have.

This policy sets out how Denefield will administer the 16-19 Bursary Fund in 2025-26. The Finance and Business Director with the Assistant Head in charge of KS5 is responsible for administering the fund.

Bursaries available

There are two types of bursaries for 16 to 19 year olds:

- **Vulnerable bursary**, of up to £1,200 per year, for students in one of the vulnerable groups defined by the Department for Education (see below under 'Vulnerable bursary eligibility').
- **Discretionary bursary** awarded to students who meet the eligibility criteria set by Denefield in this policy.

The amount awarded for bursaries is based on each student's individual circumstances and their actual financial need.

Eligibility

To receive a vulnerable or discretionary bursary students must:

- be aged over 16 and under 19 at 31 August 2025. Students aged 19 are only eligible if they are continuing a study programme they began aged 16 to 18 or have an Education, Health and Care Plan (EHCP).
- be in state-funded education
- meet the residency criteria in [ESFA funding regulations](#) for post-16 provision

If a student turns 19 during their programme of study, they can continue to receive the bursary until the end of the academic year in which they turn 19, or to the end of the programme of study, whichever is sooner.

Vulnerable bursary

To receive a vulnerable bursary, students must be in one of the defined vulnerable groups **and** have a financial need. The vulnerable groups include students who are:

- in care
- a care leaver
- receiving Income Support, or Universal Credit because they are financially supporting themselves

- receiving Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right.

Discretionary bursary

To receive a discretionary bursary, students must be facing financial barriers to participation and need help to stay in education. Eligibility criteria are designed to help those most in need of financial support. Students must meet one or more of the following criteria:

- currently entitled to free school meals
- was eligible for free school meals in Year 11
- total household income is below £24,000 a year
- is a young parent or young carer (if not eligible for a vulnerable bursary)

In exceptional circumstances and at the school's discretion, applications may be considered from students facing financial hardship but who fall outside of the above criteria.

Qualifying condition requirements

Eligible students will need to complete a qualifying learning period of six weeks before they are able to receive bursary payments. However, any eligible student can make an application ahead of the six week qualifying period and, in a case of extreme hardship, consideration will also be given for payment in advance of the six week period.

All students in receipt of a bursary must meet termly punctuality and attendance targets and must meet the school's expectations with regard to conduct and quality of work submitted in order to ensure continued support. Students will be expected to sign a declaration confirming their agreement to these conditions. Denefield reserves the right to withdraw or suspend bursary payments if these expectations are not met. Giving false or incomplete information that leads to incorrect/overpayment may also result in future payments being stopped and any incorrectly paid funds being recovered.

Applications

All applications will be kept confidential and retained by the school until the student leaves.

All applications to access the 16-19 Bursary Fund must be made using the Denefield 16-19 Bursary application form (attached at **Appendix 1** and available on the Denefield website). Applications must be supported by appropriate evidence of financial hardship and need. Examples of acceptable supporting evidence is listed at **Appendix 2**. If a student has previously provided evidence of bursary fund eligibility since starting in the sixth form, no further checks of eligibility will be carried out as long as the student is able to confirm (hard copy or electronic) that their household circumstances have not changed.

Applicants will be expected to specify the individual items for which they are seeking financial support.

Applications should be submitted in full **by 25 September 2025**. Applications made after this date will be considered provided sufficient funds are available. A small amount of funding will be held back for applications received after 30 September for applicants who join later in the year or whose

circumstances change. However, once the 16-19 Bursary Fund has been allocated, it will not be possible to consider further applications.

Application assistance will be provided to students who are unable to make an application due to a level of learning difficulty and/or disability and/or lack of engagement from parent/carer to provide appropriate supporting evidence.

All applications for a bursary will be assessed in confidence by a 16-19 Bursary Application Panel, consisting of the Finance and Business Director and the Assistant Head in charge of KS5. Students will be notified by letter of the outcome of their application within four weeks of the submission deadline.

Students who meet the criteria for a bursary for vulnerable groups are not automatically entitled to a bursary if they do not have financial needs and/or their financial needs are covered from other sources.

Appeals

If any student or their parent/carer is not satisfied with the outcome of their application, they should write to the Headteacher outlining their reasons why. The Headteacher will convene a 16-19 Bursary Appeals Panel, consisting of the Headteacher and a Trustee.

The Panel will consider and respond to appeals within three weeks of receipt. If the appeal is upheld or partly upheld it will be referred back to the 16-19 Bursary Application Panel with recommendations. If the appeal is not upheld the appealing party will be signposted to the School's Complaint Procedure.

Payments

The school will base all decisions about how much bursary they receive on each student's individual circumstances and their actual financial need. Amounts may vary from student to student, depending on, for example, their household income, the distance they need to travel to Denefield, and the specific requirements of their study programme. Denefield will not make bursary fund payments for living costs as this is out of scope of the bursary fund.

Bursaries may be paid as a cash amount (by BACS transfer to the student's personal bank account), or in-kind. Bursary cash payments will normally be made as a reimbursement of expenses following submission of a bursary claim form **Appendix 3** supported by receipts evidencing the expenses incurred.

Instead of cash payments, students may also receive payments-in-kind where Denefield purchase relevant items such as course materials and equipment on behalf of the student.

Change in a student's financial circumstances

Any student in receipt of a 16-19 Bursary has a duty to inform Denefield if their financial circumstances or those of their parent/carer change. This could result in any remaining bursary payments being withdrawn.

Student transfers and withdrawals

Where a student in receipt of a 16-19 Bursary transfers mid-year either in to the school from another education/training provider mid-year, or out of the school to another education/training provider mid-year, the school will liaise with that provider to ensure continuity of bursary payments to enable the student to complete their learning.

Where a student in receipt of a 16-19 Bursary withdraws from the school, and does not transfer to another education/training provider, bursary payments made prior to the date of withdrawal will not be recovered but any scheduled payments to be made after the date of withdrawal will not be made.

Section 6: Student Declaration

- I declare that the information on this form is true and accurate to the best of my knowledge. I am fully aware that giving false information that leads to incorrect / overpayment may result in future payments being stopped and any incorrectly paid funds being recovered. This may also result in me or my family facing prosecution.
- I have submitted appropriate supporting evidence and understand that if I refuse to provide information which may be relevant to my claim, the application will not be accepted.
- I understand that monies I receive under the bursary scheme will only be paid on condition of meeting termly punctuality and attendance targets and the school's expectations with regard to conduct and quality of work. Failure to meet these targets and expectations may result in the withdrawal of bursary payments.
- I will notify Denefield of any changes in my financial or personal circumstances that may affect my claim for a bursary.
- I will notify Denefield immediately of any changes to my bank/building society details.
- I understand that monies I receive under the bursary scheme have been awarded to allow me to continue in education and should only be spent on the items listed in the award letter. I understand that if I leave school all financial support will stop.
- I understand that I do not have an automatic entitlement to bursary payments, and all payments are based on the information I have provided.
- I understand I have the right to appeal if I disagree with the outcome of my bursary application. This appeal should be made to the school in writing, but if I feel I have not been treated fairly, I can follow the complaints procedure.
- I understand that a new application must be completed for each year of study.

I confirm that:

- **the information I have given in this application is accurate to the best of my knowledge**
- **I have read the 'Denefield 16-19 Bursary Fund policy' available on the school website**
- **I agree to abide by the conditions of this application.**
