The Trust Board's Development Plan for this academic year is informed by:

- a. the results of a self-review exercise using 'A Self- evaluation tool for School Governing Bodies, based on the All-Party Parliamentary Groups' "twenty questions for school governing bodies to ask themselves" and,
- b. reflects on the knowledge, skills and behaviours required from Trustees in order to deliver effective governance, as set out in Department for Education's (DfE) A Competency Framework for Governance (March 2017).

The plan sets out our how we intend to further improve our operation and practices for the year ahead and it will be regularly reviewed to check on progress towards completion of goals.
