Date of next review	January 2025
Review cycle	Triennial
Policy control sheet updated	Yes
Type of policy	Statutory
Policy owner	Member of SLT (ABN)
Location of policy	Website

Provider Access Policy

Status

Statutory

Purpose

This policy statement sets out Denefield's arrangements for managing the access of providers to students at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligation under section 42B of the Education Act 1997.

Student entitlement

Students in Years 7 – 13 are entitled:

- to find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information and guidance on the full range of education and training options available at each transition point
- to hear from a range of local providers about opportunities they offer, including technical education and apprenticeships. This will be delivered through a range of events including options evenings, assemblies, careers meetings, group discussions and taster sessions
- to understand how to make applications for the full range of academic and technical courses

Management of provider access requests

Procedure

A provider wishing to request access should contact Mrs J Jackson, careers lead.

Telephone: 0118 9413458

Email: JJN@denefield.org.uk

Opportunities for access

A wide range of events integrated into the careers programme will offer providers an opportunity to come into school to speak to students and/or their parents/carers. Providers will be encouraged to speak to our careers lead and visit our website to view

our careers programme so that they can be supported to identify the most effective opportunity to share information about their education and training opportunities.

The Safeguarding and Child Protection policy sets out Denefield's approach to allowing providers into school to talk to our students.

Premises and facilities

Denefield will make the main hall, the community room, classrooms, the library, and meeting rooms available for discussions between the provider and students as appropriate to the activity. Denefield will also make available IT and other specialist equipment to support provider presentations. This will be discussed in advance of the visit with the provider.

Providers are welcome to leave a copy of their prospectus or other relevant course literature to be displayed in appropriate areas of the school which students can access at break times, lunch times, tutor times and independent study sessions.

Monitoring, evaluation, and review

The headteacher will ensure that:

- the work of the careers lead and CEIAG events are supported and monitored as part of the school's self-evaluation process
- a member of the Senior Leadership Team has an overview of CEIAG work and reports regularly back to the leadership team and to trustees. This is currently Mr A Binnington, who can be contacted via abn@denefield.org.uk
- The provider access policy is reviewed by trustees on a triennial basis

The policy will be measured in a variety of ways:

- Student voice feedback and feedback from other stakeholders through mechanisms such as the annual Kirkland Rowell students and parent survey
- Internal and external reviews of careers and destinations provision
- Analysis of destinations data at both age 16 and 18
